

Library Corner August 2008

With contributions coming in monthly, library corner is packed once again ! Thank you to you faithful contributors, we all gain from your generosity.

AJRCCM

Reference Ranges for Spirometry Across All Ages

A New Approach

Sanja Stanojevic^{1,2}, Angie Wade¹, Janet Stocks², John Hankinson³, Allan L. Coates⁴, Huiqi Pan¹, Mark Rosenthal⁵, Mary Corey⁴, Patrick Lebecque⁶ and Tim J. Cole¹

American Journal of Respiratory and Critical Care Medicine Vol 177. pp. 253-260, (2008)

CHEST 2008

Geographic Variation of Spirometry Use in Newly Diagnosed COPD

Min J. Joo, Todd A. Lee, and Kevin B. Weiss

Chest 2008;134 38-45

<http://www.chestjournal.org/cgi/content/abstract/134/1/38?etoc>

Acute Respiratory Infections in a Recently Arrived Traveler to Your Part of the World

Stephen J. Gluckman

Chest 2008;134 163-171

<http://www.chestjournal.org/cgi/content/abstract/134/1/163?etoc>

Keep Attendees Awake: Writing Effective Presentations for International Conferences

Joshua L. Jacobs

Chest 2008;134 204-206

<http://www.chestjournal.org/cgi/content/full/134/1/204?etoc>

Muscle Function in Smokers: Clearing Up the Smoke

Rob C. I. Wust, Hans Degens, David A. Jones, Maria Montes de Oca, and Sonia H. Torres

Chest 2008;134 219-220

<http://www.chestjournal.org/cgi/content/full/134/1/219?etoc>

ERJ 2008

The Modified BODE Index: Validation with Mortality in COPD

C.G. Cote, V. Pinto-Plata, J.M. Marin, H. Nekach, L.J. Dordelly, and B.R. Celli

Eur Respir J Published June 25, 2008,

Current clinical guideline definitions for airflow obstruction leads to substantial overdiagnosis of COPD in primary care

T.R.J. Schermer, I.J.M. Smeele, B.P.A. Thoonen, A.E.M. Lucas, J.G. Grootens, T.J.

van Boxem, Y.F. Heijdra, and C. van Weel

Eur Respir J Published June 11, 2008,

RESPIROLOGY

American Thoracic Society/European Respiratory Society 2005 standardization of DL_{CO} measurement: Impact on performance (p 728-730)

Simon Kwok Fai LEUNG, Wing Wai YEW, Poon Chuen WONG, Yee Kit TSE, Wing Sze LAW, Chi Chiu LEUNG

Respirology May 29 2008

Journal applied Physiology

Learning from children: the emergence of pediatric exercise science Thomas Rowland and Bengt Saltin

J Appl Physiol 2008;105 322-324

<http://jap.physiology.org/cgi/content/full/105/1/322?etoc>

Keep an eye out for Oz authors!!

THORAX

Obesity and the lung: Obesity and sleep-disordered breathing

F Crummy, A J Piper, and M T Naughton

Thorax 2008;63 738-746

<http://thorax.bmj.com/cgi/content/abstract/63/8/738?etoc>

The Clinical Respiratory Journal

Monitoring asthma therapy using indirect bronchial provocation tests

John D. Brannan, Heikki Kosela and Sandra D. Anderson

TCRJ 2007; 1: 3-15
